## About US

The Sergeant Major is the passion behind the business, as he is passionate about his little armies of soldiers. A veteran Canadian Forces Operations, he still serves in the Army Reserve, and is currently a Chief Warrant Officer-Regimental Sergeant Major. The Sergeant Major has also been known to race around a mid sized Ontario Community as a Professional Firefighter. He collects and paints soldiers when he has the time.

Hedwig- is the “respite” from Strife. She runs the household and offers encouragement. Since the Children in the home are all girls-she tolerates the Sergeant Majors hobbies as long as they stay in his cave in the basement.

Thanks for a great first year of business. We hope to see you at a show sometime-Please sign up for our newsletter.

Grant and Wiggy
